Below is another FOIA just asking for any statistics kept by the Metra police regarding criminal activity.

Interested in the departments own internal statistics.

Thanks,
Christine

Hi Kathleen,

Via the Illinois Public Information Act, I'm writing to request access to and a copy of any public records reports, documents or any other available information regarding **statistics** compiled by Metra police on criminal activity or reports of crime concerning the 241 train stations operated by the Northeast Regional Commuter Railroad Corporation.

For this request, please provide all relevant documentation from September 1, 2014 to September 1, 2015 or the most current date available.

If your department does not maintain custody of these records, please forward this request to the appropriate department. If you believe portions of these records to be exempt from disclosure, please provide all segregable portions of the records. If possible, please provide these records electronically and on a rolling basis as they become available.

If you have any questions, please contact me at this email or at either number below.

Thanks for your assistance,
Christine Tressel
