Dear FOIA officer:

This is a request for public records under the Illinois Freedom of Information Act.

Under FOIA, I'm requesting any and all contracts, contract amendments/modifications and any other records related to the contracts between Metra and the following partners for calendar years 2018 and 2019:

- Amtrak
- BNSF Railway
- Union Pacific

This is for a possible news story. As this request is being made in my capacity as a journalist, timeliness is important.

Please make these available for my inspection by April 15, 2019.

Feel free to call me with any questions at (224) 217-1500.

Best,

AnnMarie Hilton
